Elementary and Kindergarten Education Major: Entrance Criteria

Student demand for the Elementary and Kindergarten Education (EK ED) major offered at Penn State has been such that enrollment controls are in effect. Each year a total of 300 students meeting specified criteria will be admitted to the two EK ED teaching options: Early Childhood Education (N-3) and Elementary Education (K-6).

Specifically, every new student **competes** for formal admission to EK ED in a designated selection pool. New students from other institutions and current Penn State students who wish to be considered for a change of major into EK ED also compete in appropriate, designated selection pools.

Eligibility for entry to EK ED is based on: (1) formal application via eLion, (2) completion of specified prerequisites, and (3) cumulative grade point average
