WORLD LANGUAGES EDUCATION – Russian Teaching Options: Entrance Criteria

Eligibility for entrance to the Russian teaching option in the World Languages Education (WL ED) major is based on: (1) formal application, (2) completion of specified prerequisites, and (3) cumulative grade point average. (See Entrance to Major (ETM) information available from your adviser, or at http://www.ed.psu.edu/edservices/certification/ent_criteria.asp).

Students must participate in a formal Entrance to Major process in a designated selection pool typically during the fourth semester in the Spring. New students from other institutions and current Penn State students who wish to be considered for a change of major into WL ED also participate in appropriate, designated selection pools.

General sequences and block scheduling patterns of certain required courses follow. (This is not a complete semester-by-semester schedule.) General Education Courses and Prescribed, Supporting, and Additional Courses should be completed prior to student teaching.

RETENTION and EXIT CRITERIA

Candidates for the baccalaureate degree and a Pennsylvania teacher certificate must (1) maintain throughout the program of study the cumulative grade point average required for admission to the program, and complete, (2) the academic program requirements, (3) the Pre-Certification Competency Examination on Educating the Handicapped, and (4) the applicable tests and clearances required by the Pennsylvania Department of Education.

For complete information about Entrance/Retention/Exit Criteria applicable to teacher preparation programs, and eligibility for Pennsylvania Teacher Certification, please see: http://www.ed.psu.edu/edservices/certification/ent_criteria.asp
