WORLD LANGUAGES EDUCATION - - Spanish Teaching Option: Entrance Criteria

Eligibility for entrance to the Spanish teaching option in the World Languages Education (WL ED) major is based on: (1) formal application, (2) completion of specified prerequisites, and (3) cumulative grade point average. (See Entrance to Major (ETM) information available from your adviser or <http://www.ed.psu.edu/educ/current-students/undergraduate/ent-exit-crit>).

Students must participate in a formal Entrance to Major process in a designated selection pool typically during the fourth semester in the Spring. New students from other institutions and current Penn State students who wish to be considered for a change of major into WL ED also participate in appropriate, designated selection pools.

General sequences and block scheduling patterns of certain required courses follow. (This is not a complete semester-by-semester schedule.) General Education Courses and Prescribed, Supporting, and Additional Courses should be completed prior to student teaching.

For complete information about Entrance/Retention/Exit Criteria applicable to teacher preparation programs, and eligibility for Pennsylvania Teacher Certification, please see: <http://www.ed.psu.edu/educ/current-students/undergraduate/ent-exit-crit>
