**CRISIS POLICY**

In case of an emergency, between 8:00 a.m. and 5:00 p.m. contact the CAPS office at 863-0395. CAPS is located in 501 Student Health Center. Inform them that you are a CEDAR clinic client who is **IN CRISIS**.

If in crisis after 5:00 p.m. or on weekends please contact the CAN HELP line at 1-800-643-5432. CAN HELP is a 24-hour hotline operated by trained individuals that can assist you during your crisis. You can also go to Mt. Nittany Medical Center Emergency Room, which is located at 1800 East park Ave. Please call 911 for assistance.

Please do not contact your counselor via e-mail. E-mail is not confidential and is not an appropriate system for personal counseling. We will be unable to respond to crisis appointment requests via e-mail.
